Eka Swadiansa is the chief bureau and principal of Office of Strategic Architecture (OSA), research director of Surya University Center for Static City (SU-CSC), lead curator of SPIRIT_45, and Global University (GU) founding member; recipient of 2009 Tadao Ando Foundation/OFIX, and Terrefarm/SOM fellowship.

Upon graduating from Brawijaya University and working/interned on various companies which includes Japan giant: Takenaka Corporation; he established OSA to strive for 3 different focuses: (1) Iconolocii/architecture as cultural reinterpretation medium, (2) Static City/planning for the South-South alpha/beta cities, and (3) Reactive Capitalism/banking mechanism which fuels capital accumulation over social-based business cycle.

Throughout the years he had been invited to present his works on prestigious institutions such as: the MIT, ENSA Paris LV, ENSA Rouen; and exhibited his works on venues around the globe including: INBAR Industry@Shanghai World Expo, Central Glass@Tokyo UIA Congress, Guggenheim Helsinki Exhibition, Le Galerie Librarie du Impressions, and Strelka Institute Mass Housing Exhibition.
